some of the best things of the day.

I as well understood that he would have slengthered the "Picked Cay. all politon the courtship."

I. That, waiving all the earth and Finesth and "pale faces" who have died at the hands of savage Christians and Christian savages; but stoleism is an other name for fatal apathy, when practiced by commercial communities and in being and to the perpention of the war. So far as essential to correct the consideration whereof we could have almost wished a lew more days of Powers."

NUMPHIN* CHIEFENT BENEFACTORS.**

The contract by which the Louis ville of the and Nashville road is extended to Decatur, absorbing the North and South road to Monigomery, provides that all ireights over this North and South road to Louisville or Memphis—whether moving north to Louisville or west to Memphis—the same rates.

us to which party you belong, for the passenger cars may transfer to this gentleman; Colonel James Coleman the passenger cars may transfer to this gentleman; Colonel James Coleman or west to Memphis—the same rates.

It thus happens that the greatest possible benefaction by this contract has gible benefaction by this contract has are as much alike as two blackstantly appealing to local jealousies with quiet mich and great reserve of the popular representative of the Morse interest; Captain James Doyle with quiet mich and great reserve of the popular representative of the sible benefaction by this contract has sheen conferred by Messrs, Greenlaw, Wicks and Tate, upon this city of Memphis. By this route over the North and South road, from Decatur to Montgomery, Memphis is nearer to the general districts of Alabama than such as the company of th southern districts of Alabama than selves in such strange company. If Louisville, and since heavy freights—Louisville, and becon, salt, sugar, molasses and whis-ity—can be deposited by water different names, as it would seem undertaking. It is the remoter cities about two hours, we were greated by our host and his esteemed lady. being of Memphis, have become the city's greatest benefactors. The value of this North and South road, under of this North and South road, under the city's greatest benefactors, the poles, as marked as light and darkness, truth and error, but here crush the struggling victims of insaturable and complete family seving Machine, on all the victor of the struggling victims of insaturable and complete family seving Machine, on all the victor of the struggling victims of insaturable and complete family seving Machine, on all the victor of the struggling victims of insaturable and complete family seving Machine, on the struggling victims of insaturable family seving Machine, on the struggling victims

of value that justifies their presents pediency. EXPEDIENCY! Why that tion to our readers at any time. He is the slogan of the robbers' band. EXPEDIENCY! men generally think The Irish in America wasted their it expedient to steal. EXPEDIENCY

No race, any more than a nation, can reach its highest development without the constant art. It the Irish would identify on the Union will ever remain faithful to the untilized, their highest capabilities, they must compete with other races in mechanic without the necessity of passing over or through them. This made on this continent of agricultural industry. Certainly no people ought to contil ute better, more painstaking, and more intelligent farmers than the Irien. The soil of the South invited elasticity for feats of ground and lotty Indian Peninsula railway run them to its culture, with a more varied and richer product to reward the "horest sweat of the husband-man" than even their own fertile isle.

Rossis from Memphis to Norfolk must be made an unit or this city is undone and the Memphis and Charleston road and the Memphis and Charleston road. and the Memphis and Charleston road becomes utterly valueless. "Who shall be President?" is an inquiry often made. It signifies nothing. The first step is consolidation. This achieved, the best man in America would gladly accept a position which enables him to wield fifty millions of capital and a degree of power against which commercial obstacles will rise without regard to consequences. The establishment of the true doctrines of miles completed at the opening of the year 1869 was \$85,000 per mile. They were built by private companies, the Government rendering valuable as sistance and guaranteeing five per cent. interest upon the capital invested, without regard to consequences. The miles exampleted at the opening of the year 1869 was \$85,000 per mile. They were built by private companies, the Government rendering valuable as sistance and guaranteeing five per cent. interest upon the capital invested, without regard to consequences.

capital and a degree of power against which commercial chetacles will rise up in vain. No little selfishness of men shall be suffered to obstruct the consummation of this great end. We are told that all the leading officers of the roads interested, especially since Stanton completed the line from Cantianoga to Meridian, assent to the palphile necessity for the unification of roads from Memphis to the Atlantic ocean, These office-holders say that nothing else can save the stockholders, and this measure surely enriches them. The stock in the three roads, already
